**This show is in the Farmers Market sheltered area (not in the open grass field), so there will be a bit of added protection from the elements. There are 50 spaces available, same guidelines apply to all shows. The Christmas tree sale will be in full swing, as an added attraction. Plus, Santa Claus (Tom) will also be out and about with goodies.**

**Booth:** Booth spaces are approximately 12 ft x 12 ft. Parking for one vehicle will be provided with each space. Only cars and trucks which are less than twenty feet long will be permitted in the Craft Fair area. Larger vehicles or those with trailers will need to park in other designated areas. Each exhibitor is responsible for all booth equipment. Remember this show can get kind of cold. Heaters/generators are allowed, however; you must have an adequately sized and rated fire extinguisher. Prepare accordingly for the weather and outside elements. Spaces are limited to 2 spaces per applicant. Electricity is available. Booths must be manned at all times during show hours. The Market and/or Country Cupboard Crafts does not accept responsibility for items which are lost, stolen, or damaged. Heavy overnight rains and blowing winds may create problems for items susceptible to moisture and damaging winds. You may wish to remove these items each evening before leaving the Market area. Merchandise, tables, chairs, tents, and other display equipment are the responsibility of the vendors.

**Times:**

**Saturday----- 9:00 AM - 5:00 PM**

**Sunday-----11:00 AM - 5:00 PM**

Setup begins Friday (Dec.5) afternoon at 2:00. All spaces need to be set-up and ready for business Saturday morning at 9:00 a.m. Garbage and debris needs to be out of your area and cleanliness maintained at all times. All spaces will be assigned. This avoids side by side product duplication and allows us to work with the topography. If you have a certain space request, jot it on application & we'll take into consideration.

**No breakdown before 6:00 PM on any day.** Vendors breaking down early, leaving early, or not showing up, will not be asked back to participate in future shows.

**Deadline:** The deadline for applications is November 29, 2008. Since spaces are limited, spaces will be filled on a first come-first served basis.

**Confirmation:** Watch for your check to be cashed as confirmation. Info packets, space assignments, etc. will be picked up at set-up time. We much prefer communication via e-mail (saves \$\$ on postage & keeps fees down). If at all possible, please furnish e-mail address or feel free to give us a call with any questions.

\*\*\* There is no rain date. The Farmers Market Craft Fair will be held regardless of weather. All revenues received from the applications for this event are used to cover costs. No refunds will be made. \*\*\*
